10:17 PM **Caleb**: Right.
So.
Ollie North was on *Hannity* last night.
Slamming Obama for his soft touch on Iran.
Iran.
Ollie North.
Iran.
me: lol
10:18 PM **Caleb**: I was so like, "Yeah, but where does *this* dude get off?!"
Then I punched my gramma in the face.
10:19 PM **me**: dude, that's uncalled for
10:20 PM **Caleb**: No, it's not.
10:21 PM She watches a network that encourages someone like Ollie North to criticize someone else for acknowledging the nationhood of Iran.

10:23 PM I assumed that you and Andrew Sullivan were getting everything late
too busy having anonymous bareback sex with other dudes
which I understand is time consuming
FAGGOT
Caleb: You'll get yours someday, Barrett Clown.

10:24 PM **me**: "Barrett Clown" is played out, dude
Caleb: "Barret the Carrot"?
me: very good
